Tahoe Music Alive

2026 Impact Report

FOUR SEASONS OF WORLD-CLASS MUSIC
FOUR YEARS OF LIVELY COMMUNITY ENGAGEMENT

Tahoe Music Alive

Bringing World-Class Music to North Tahoe

Tahoe Music Alive inspires, uplifts, and unites the greater North Lake Tahoe community through transformative classical chamber and jazz music concerts, bringing people together to share the joy and beauty of live music played by world-class musicians in intimate, welcoming settings. Beyond the stage TMA stimulates local music students and their teachers by introducing them to top-flight professional musicians.

Three goals support our mission:

Excellence in performance in world-class classical and jazz concerts held in intimate North Tahoe spaces.

Community engagement and access through reasonably priced tickets for seniors and students, family engagement through local collaborations and attractions for visitors in sold-out concerts.

Education and mentorship with free master classes, musical dialogues, and outreach concerts, including hospital, community, and school settings.

2026

OUR FOURTH SEASON OF *MUSIC THAT REACHES BEYOND THE STAGE*

1500+ attendees shared unforgettable experiences: students, seniors, patients, and community members.

Six vibrant concerts produced in five intimate venues across north Tahoe: Truckee, Tahoe City, Olympic Valley, Tahoe Vista, and Incline Village.

Ten outreach events held in schools, community centers, and healthcare facilities, including master classes, workshops, and school visits.
